

Green Pin Snatch Block type 601T P-6953

Product information

The Green Pin® Snatch Block is a light-weight snatch block type 601T. The snatch block has a smooth, uninterrupted pull due to its conical roller bearings. The coating of the Green Pin® Snatch Block ensures long-term durability, even under harsh conditions. The product is available in a range with a working load limit from 4 up to 8 ton. These are equipped with bronze bushes.

• **Certification:** test certificates can be supplied upon request

Material: carbon steel, fitted with conical roller bearings, except for blocks with WLL 4 t,

Marking: CE-marked

Finish: painted

Note: Working Load Limit is on the headfitting
