Stepladder Nova S

Product information

General: The basic version of our stepladders with treads in particularly lightweight design and at a favourable price. Single-sided access.

Features and benefits:

- The classic model for safe standing and comfortable working, with a practical storage tray and high-stability patented rung-stile connection.
- Large standing platform with anti-slip serrated surface.
- Practical storage tray with plenty of space for tools and small parts.
- 80 mm deep surfaces to stand on.
- High-strength Perlon belts with sewn-in fixing straps prevent splay, from 7 rungs.
- Patented tread design: sturdy, stable and durable with high-strength, rung-stile connection.
- Optimal platform stability thanks to extruded aluminium sections.
- Two plastic locating guides lock steps together when it's closed.
- Stability through slip-resistant plastic end caps.
- Enclosed rung profile and integrated guide tube.
