

Work platform Workmaster T, folding

Product information

General: Mobile and comfortable: folding work platform with step access and central brake.

Features and benefits:

- Swing-up steps with treads 200 mm deep for comfortable and safe ascent.
- Can be moved very quickly and easily, thanks to four swivel castors on the access section and two fixed castors on the support section.
- Can pass through doors - even when erected.
- Flexible applications due to three different platform heights with just one work platform.
- Double-sided handrail on the access steps and platform guardrail for maximum work safety.
- Folding frame and pivotable steps mean space-saving transport and storage.
- Large-area work platform 1,800 x 600 mm.

Material: Aluminium

Note: max. load 216 kg.
