

CREAXESS work platform

Product information

Compact work platform with easy-going steps. Choice of stationary or mobile version (for moving quickly to another working position). Ideal for work over long periods, even with tools.

Features and benefits:

- Individually adjustable platform lengths.
- An antistatic version of the chassis is also available.
- Configurable up to a vertical height of 1,500 mm (from 1,000 mm with horizontal stabiliser bar for safe standing).
- Mounting options: on feet (without wheels) or on foot brackets (as a stationary work platform).
- Customised guardrail configuration on the platform, with optional swing door or pole barrier.
- Maximum flexibility with optional handrails and guardrails which can be removed without tools.
- Quick and simple assembly with the ZARGES connection system with a high level of pre-assembly.

We recommend equipping the product in accordance with the German Equipment and Product Safety Act (ProdSG) with two-sided handrails and, for steps with platforms or maintenance platforms, all-round fall protection (e.g. guardrails). If handrails or guardrails are not desired, the operator must ensure sufficient regulatory protection.

- Standard applied: DIN EN ISO 14 122
