

Lanyard GRILLON HOOK, Petzl

Product information

Adjustable work positioning lanyard with HOOK connector (snap-hook opening 20mm)

The GRILLON HOOK adjustable lanyard is used to make work positioning systems, to complement a fall-arrest system. Its length can be very easily and precisely adjusted as necessary for comfortable positioning at the work station. Its HOOK connector is ideal for using the lanyard in double mode on the harness side attachment points.

- Sewn terminations on both ends with plastic sheath to keep the connector in position and protect the rope from abrasion
- Removable protective sheath protects the rope from abrasive surfaces and allows smooth rope glide
- Replacement ropes available
