Seatboard PODIUM, Petzl

Product information

The seatboard provides optimal comfort during prolonged suspension.

The wide sitting position offers excellent stability. Rigid sides prevent the webbing straps from cutting into the thighs. The easy-to-use seat has three equipment loops and a rear hook, making it easier to store to facilitate movement. It connects to ASTRO BOD FAST and ASTRO SIT FAST harnesses with two shackles.

- Provides exceptional comfort during prolonged suspension:
  - Wide sitting position offers excellent stability
  - Rigid sides prevent the webbing straps from cutting into the thighs
- Easy to use:
  - Suspension webbing is adjustable with self-locking DOUBLEBACK buckles
  - Three pre-shaped equipment loops with protective sheath
  - Rear hook allows easy positioning of the seat on the back when not in use
